“

In July of 2023, Downtown Decorah was formally recognized as a top Cultural & Entertainment District in the State of Iowa. We can achieve this level of recognition because our small businesses go above and beyond AND because the downtown is home to the internationally significant Vesterheim Norwegian American Museum.

Our local businesses are so proud to be part of this celebration day for the museum and extend a sincere congratulations to the whole Vesterheim team for the opening of the new Vesterheim Commons Building.

We hope this list of Norwegian dining and shopping features will inspire you to extend your time in the Decorah area.

Tusen takk!

Jessica Rilling

Executive Director

Decorah Area Chamber

SEPT 30TH
