

Thank you for keeping dollars local with
Decorah Area Chamber of Commerce's

Chamber Dollars Program

Thank you for supporting local spending! Whether you are giving these chamber dollars as a gift for a family member, as a performance reward or holiday bonus for employees, or as a thank you to a local professional who impacts your life - please know that it fuels our Decorah Area economy and we are grateful.

Things to Know When Buying Chamber Dollars

Chamber Dollar purchases (at Chamber) can be made with cash, check, or card. Purchases with a credit card will be charged the credit card fee on top of the face value of their purchase.

Smaller denominations (\$5, \$10, \$20 \$25) work better for both the store and the customer. It's easier to provide cash back and allows the customer to more easily patronize multiple businesses. Chamber Dollars can be written for larger denominations upon request.

Thing to Know About Spending Chamber Dollars

Chamber Dollars should be accepted by Chamber Dollar Members Only (See Reverse for list of most likely Chamber Dollar locations to be redeemed and visit the website for the full member directory.)

The "Pay to:" Line should be filled out by the store or restaurant at which you are using the Chamber Dollars and NOT the name of the person purchasing the chamber dollars or the person that you may be gifting them to.

Once a purchase is made, redeemed chamber dollar vouchers should be kept by the cashier/store. They are a legal tender and a valid check and should be deposited at the bank the same as a check from any customer.

Chamber Dollars DO NOT EXPIRE. However, if they are damaged, you may bring them down to the Chamber to be exchanged for new ones.

When a purchase is made, vendors should provide change for the remaining portion of the face value of the Chamber Dollar.
